➤ **Quilting Prices:**

**Quilting is done at a price of \$0.015 per square Inch, this includes batting.**

**To determine the cost of quilting first determine the area of your quilt by multiplying the width and length of your quilt this will give you the square inches. Multiply the Square inches by \$0.015. This will give you the cost of quilting.**

➤ **QUILT SIZE:** \_\_\_\_\_ inches X \_\_\_\_\_ Inches

**Width**

**Length**

**(Side to Side)**

**(Head to toe)**

**Note: the quilting pattern goes from side to side of the quilt. This is important for me to know in order to prepare the quilt for quilting.**

➤ **Thread Color:** \_\_\_\_\_

**Note:** If you have a specific color of thread you want on your quilt please send a small sample of thread or fabric. I will do my best to match it as close as possible. You may send your own variegated thread if desired. Please send "YLI" thread only, this is the only thread that will work in my machine.

➤ **QUILTING PATTERN:** \_\_\_\_\_

**Type of Batting:** We use Hobbs Heirloom 80/20 cotton batting; it comes in one weight only. It is available in Off White, Black and White. Batting is included in the quilting price.

➤ **Binding or Hemming:** Indicate your choice below

1. \_\_\_\_\_ Binding sewed on @ \$0.07 per inch.
2. \_\_\_\_\_ Binding sewed on by machine and machine finished @ \$0.10 per inch.
3. \_\_\_\_\_ Binding sewed on by machine and hand whipped @ \$0.18 per inch.
4. \_\_\_\_\_ Customer will hand finish.
5. \_\_\_\_\_ Please indicate if you would like the binding cut on bias

**Note:** If you do not pick one of the choices above please indicate if you plan to bind or hem your quilt. This will help me to determine how much batting to leave on your quilt.
